

Community Christmas Lunch

25th December 2016

Details of The Day!

No of Guests 105 guests from all over the Aylesbury area joined us to enjoy a Christmas dinner and entertainment, 30 arriving by our mini bus

The Food Guests were treated to soup and a roll, full turkey dinner (or veg option) followed by Christmas pudding all expertly cooked by volunteer chefs at the Aylesbury Opportunities Centre

How? 73 volunteers in Christmas hats and jumpers cheerfully came to meet & greet, sweep, serve, clear up, wash up and everything else in between. A massive thank you to all of them!

Music & Gifts Musical entertainment included an amazing Ukulele band and a pianist. Father Christmas and his elves made a special appearance with presents and a donated food 'shop' offered guests extra provisions for the holidays

The Community Christmas Lunch, held at St Mary's Church Aylesbury, is open to all in the community. It is offered completely free of charge due entirely to fund raising efforts and to the generosity of individuals, local companies and organisations. A huge thanks go to everyone who contributed to the 2016 event and made it a very special Christmas for the 105 guests who otherwise would have been alone at Christmas

If you are interested in volunteering or sponsoring the event and to find out more then please visit our website at: www.freechristmasdinner.com
